RANGE OVERVIEW

BRITISH DESIGN, SUPERIOR SOUND.

From compact speakers and table top radios, to integrated music systems and perhaps the most elegant radiogram available. Our aim is to make superior products you'll love to own.

From our premises in Southend on Sea, Essex, we work tirelessly to create a range which looks and sounds amazing. Using refined materials and our unique design ethos, we craft products we ourselves would be proud to own.

H170 x W130 x D135mm

R₂

R2 STREAMING MUSIC SYSTEM

R2 STREAMING MUSIC SYSTEM MADE FOR MUSIC

Our award-winning R2 is the perfect 'all in one' music system, particularly where a compact footprint is required. With Wi-Fi, Bluetooth and radio technologies built in, R2 is a technological marvel, but what makes R2 really special is the sound, which will bring new joy to your listening experience.

FEATURES

DAB, DAB+, FM & Internet radio tuners. aptX Bluetooth receiver. USB playback/power port. Switchable aux inputs. Headphone output. Spotify Connect built-in. Wireless music streaming & multi-room ready. Ruark 'LINK' control app. Available in rich walnut veneer, soft white lacquer & soft black lacquer.

H120 x W360 x D185mm

R4 INTEGRATED MUSIC SYSTEM

MUSICALLY ENGINEERED FOR 21ST CENTURY LIVING

The third generation R4 carries forward the ideology of our original model as a traditional music centre, though one designed and engineered for 21st century living. An unrivalled performance is delivered through a powerful amplifier system, filling your home with pure and rich, lifelike sound.

R4 INTEGRATED MUSIC SYSTEM

FEATURES

Enhanced multi-format CD player. High-quality aptX Bluetooth receiver. USB playback/power port. DAB, DAB+ & FM radio tuner. Analogue & digital inputs. Powerful 2.1 high-fidelity amplifier & speaker system. Available in rich walnut veneer, soft white lacquer & soft black lacquer.

H140 x W440 x D250mm

NEW

R5 HIGH FIDELITY MUSIC SYSTEM

DESIGNED FOR LIFE

From feedback we know that customers love the design and features of our R7. With R5 we have scaled-down our flagship model in all but sound to create a music system which is pioneering, embodying the knowledge of our past with our vision of the future.

R5
