

Manual

Retractable

A manual screen that is affordable and boasts a refined finish.

The second generation of Plaza screens benefits from a finish quality unrivaled at this price point : high performance canvas with black borders, a black-out back, extra-drop, slim case in lacquered aluminium with a simple wall or ceiling attachment system so the screen can roll back into its case.

Of course, it also features a sturdy spring suitable for long term use and an automatic locking system that lets you make easy and practical adjustments of the screen to match the dimensions needed for the video or image projection.
