

KANTA N°1

Product data sheet

HANDCRAFTED
IN FRANCE

Kanta N°1 combines performance and compactness. There's a surprise in store right from the start of your listening experience with this 2-way loudspeaker, in the form of the extent of the bass frequency response for its dimensions. Featuring Focal's latest technologies such as Flax cones, TMD suspension and NIC motor, the speaker is characterised by its precision, definition and neutrality. The performance of the latest generation IAL tweeter adds the finishing touch to the modern, ingenious design of this sound equipment. Its full potential is revealed in a room of less than 270ft² (25m²).
