

DIABLO UTOPIA COLOUR EVO

Specification sheet

Compact, distinguished and captivating, Diablo Utopia Colour Evo is the ultimate vision of the reference bookshelf loudspeaker, in the purest Focal's tradition. Largely inspired from the Grande Utopia EM, it sets new milestones in the bass thanks to its patented 6 1/2" (16.5cm) Power Flower woofer, with almost no saturation, and an integrated resonator. Fixed on a dedicated stand, Diablo Utopia Colour Evo enchants the midrange and the treble with its definition, demonizes the bass with a density and a power handling never reached so far.
